Re: Cancellation of Attorney Contract

Dear Mr. M. Evan:

Although I have appreciated your services over the past year, we must cancel our contract because your services are no longer required with me.

I have no choice but to cancel our service contract. After discussions, with my family I feel that you provided a good service at the beginning of our contract but I also feel that I need you undivided attention and you have not provided adequate service to my personal needs.

I have court appearances that have not been dealt with on a punctual manner. Under the circumstances, I must cancel our agreement/service contract.

Sincerely yours,

CL Brown
